	Project Steering Committee will review: i. Schedule for the 3rd Regional Workshop (14-16 October 2026) ii. Other business matters
Item 8	Closing of the Meeting (14.45 – 15.00 pm) Director of Forest Product Processing and Marketing, Ministry of Forestry, Indonesia as Executing Agency of ITTO PP-A/54-331A Indonesia Component

Tentative Agenda (as of 1 October 2026)
The 2nd Regional Workshop on “Microfinancing Support for Smallholders and Community-Based Teak Farming Systems in the Tropics Towards High-Quality Timber Production

Date, Time	Topics
Day 1: Wed, 14 October 2026	
08:30-09:00	Registration
09:00-09.45	Opening Session (MC: Dr. Rina Kristanti – Ministry of Forestry Republic Indonesia/Project Advisor ITTO Project PP-A/54-331A Indonesia Component) • Welcome Remarks by Head of Environment and Forestry Agency, Special Region of Yogyakarta, Mr. Kusno Wibowo • Welcome Remarks by Project Host Country of ITTO PP-A/54-331A, Kasetsart University-Thailand, Prof. Prateep Duengkae, • Welcome Remarks by the Federal Ministry of Agriculture, Food and Regional Identity (BMLEH), Germany, Mr. Stephan Wagner • Welcome Remarks by Executive Director of ITTO, Ms. Sheam Satkuru • Opening Remarks by Vice Minister of Forestry, Indonesia, Mr. Rohmat Marzuki Group photo
09.45-10.30	Keynote Presentation (MC: Dr. Rina Kristanti – Ministry of Forestry Republic Indonesia/Project Advisor ITTO Project PP-A/54-331A Indonesia Component) 1. Director General of Social Forestry, Ministry of Forestry, Republic of Indonesia, Ms. Catur Endah Prasetyani 2. Update on ASEAN One Billion Tree Growing Initiative, Head of the Forestry and Agriculture Division ASEAN Secretariat, Dr. Dian Sukmajaya
10.30-10.45	Coffee Break and Poster Presentation
10.45-11.00	Introduction of ITTO-BMLEH Teak and Other Valuable Species Plantation Project (Regional Project Manager ITTO PP-A/54-331A, Kasetsart University-Thailand, Prof. Dr. Yongyut Trisurat)
11.00-12.00	Technical Session 1: High Quality Germplasm Materials Towards Quality Timber Production (Co-chairs: Dr. Suwan Tangmitcharoen – Royal Forest Department, Thailand and Dr. Rekha R. Warriar – ICFRE, India) Panel: • Guest speaker: Production of high-quality teak clones through micropropagation (YSG Bioscape Sdn Bhd, Malaysia, Dr. Doreen Goh) • Teak genetic improvement towards higher yield and quality teakwood (ICFRE-Institute of Forest Genetics and Tree Breeding, India, Dr. . Yashoda,) • Teak clonal test in Thailand (Royal Forest Department, Thailand, Ms. Sompon Khumchompoo) • Growth response of teak to different planting materials and fertilizer application in Vietnam, Southern Center of Application for Forest Technology & Science (SCAFTS), (VAFS-Vietnam, Dr. Vu Dinh Huong) • Large Scale Clonal Teak Forestry To Improve Forest Productivity in Monsoon Forest Indonesia (Faculty of Forestry, Gadjah Mada University, Prof. Widiyatno) Q&A
12:00-13:00	Lunch Break
13:30-16:00	Technical session 2: Session 2: SMART Silvicultural practices and agroforestry, and mitigation of pests and diseases (Co-Chair: Dr. Tran Lam Dong – VAFS, Vietnam and Dr. S. Sandeep – TEAKNET, India)
13:30-14.00	Keynote Presentation: Teak molecular genetics and planting strategies - an Indonesian experience (JIRCAS-Japan, Dr. Naoki Tani)

Date, Time	Topics
14:00-15:45	Panel: - The pests and diseases in the teak plantations of Bago Yoma (West) (FRI-Yezin, Myanmar, Dr. Zar Chi Hlaing) - Growth performance of teak provenances in the Guinean Zone of Togo: Effects of Genetic Origin and Stand Age. (University of Lome-Togo, Prof. Kouami KOKOU) - Innovative teak plantation towards good quality timber (Forest Industry Organization/FIO-Thailand, Ms. Piamporn Sripatai) - Current Status of Teak Plantations and Markets in Lao PDR (NAFRI-Laos, Dr. Simone Vongkhamho) - Volumetric and quality losses in Teak timber harvesting (Kasetsart University, Thailand, Dr. Nopparat Kaakkurivaara) - Efficient teakwood transportation and processing: India component (ICFRE-Institute of Forest Genetics and Tree Breeding, Dr. Mohammed Ghouse) - The precision artificial intelligence (AI) package for the forestry system (Founder HelixOmics Analytics, India, Dr. Ani A. Elias) Q&A
15.45-16.30	Break and preparation for cultural show
19.00-21.00	Welcome dinner hosted by Ministry of Forestry, Indonesia
Day 2: Thursday, 15 October 2026	
09.30-12.00	Technical Session 3: Promoting Micro-financing and Sustainable Value-Chains for Smallholder Teak and other valuable species plantations (Co-Chair: Dr. Tony Rianto – Ministry of Forestry, Republic of Indonesia and Dr. Sapol Boonsermsuk – Former Senior Expert of Royal Forest Department, Thailand)
09:30-10.00	Guest speaker: 'Significance of planted teak for smallholder farmers' (ICRAF-World Agroforestry Centre, Ms. Endri Martini)
10:00-12:00	Panel: - Feasibility study of financial mechanisms to promote quality timber production from smallholders and community-based teak and other valuable timber species plantations: Cambodia, India, Thailand, Togo and Vietnam (Thunen Institute of Forestry, Germany, Mr. Temesgen Zana Jaffo) - Teak value chains, Institute of Forest Genetics and Tree Breeding (ICFRE– India, Dr. Nalin Kumar) - Teak strategy development for smallholder plantations (Former BRIN – Indonesia, Prof. Anto Rimbawanto) - Role of local community in sustainable teak management, Director of Sustainable Governance Community (KEMITRAAN – Indonesia, Mr. Hasbi Berliani) - Legal supply chains and sustainable wood use in India (Maharashtra Forest Department – India, Mr. Praveen A) - Global teak trade and trends in major teak producing countries (TEAKNET - Kerala Forest Research Institute – India, Dr. PK Thulasidas) Q&A
12.00-13:00	Lunch Break
13:00-15:30	Technical Session 4: Enabling governance and empowering smallholders' livelihood (Co-Chair: Dr. Nopparat Kaakkurivaara - Kasetsart University, Thailand and Prof. Anto Rimbawanto, Former BRIN – Indonesia)
13.00-13.30	Guest speaker: Integrating Smallholders and Local Communities into Legal Timber Supply Chains: A Comparative Analysis of Policy and Institutional Frameworks in Six Countries (IGES – Japan, Mr. Taiji FUJISAKI)

13.30-15.00	Panel: • Traceability system in Indonesia, Director of Forest Product Processing and Marketing (Ministry of Forestry Republic of Indonesia, Mr. Ade Mukadi) • Traceability system in Vietnam, (VAFS Vietnam, Dr. Tran Lam Dong) • Role of TEAKNET in strengthening knowledge and networking (TEAKNET Coordinator – India, Dr. S. Sandeep) • Empowering smallholders' livelihood in teak management (Faculty of Forestry, Gadjah Mada University, Dr. Tomy Listyanto) • Challenge and the Future of Teak Management by Private Sector (Perum Perhutani – Indonesia, Mr. Wawan Triwibowo) • Teak management in Indonesia from young generation's perspective (Sylva Indonesia, Ms. Wulan Amelia)
15.00-15.15	Conclusion and Key Message from the Regional Workshop (Prof. Yongyut Trisurat - Kasetsart University Thailand, Dr. Rina Kristanti – Ministry of Forestry Republic Indonesia/Project Advisor ITTO Project PP-A/54-331A Indonesia Component and Dr. Thulasidas – TEAKNET India)
15.15-15.30	Closing remarks by ITTO
Day 3: Friday, 16 October 2026 Field Visit
